Samut Sakhon Province, 6 November 2025

The information below provides logistical details for the field trip on 6 November 2025, which will take place after the *2025 Meeting of the Regional Seas Indicators Working Group*, 4 – 5 November 2025. Please read the following information carefully, as it will help you to plan the field trip.

1. Schedule of the field trip

08:00 Gathering at the departure point in UNCC

08:15 Departure from UNCC

09:30 **Marine and Coastal Resources Office (MaCRO 8)**, Samut Sakhon Province
Briefing by the Director of MaCRO 8, Mr. Montri Hamontri

Crab Bank Project, MaCRO 8

A conservation effort for blue swimming crabs, mangrove crabs, squids, cuttlefish, and cobia, in response to unsustainable fishing practices and climate change.

Marine Debris Management

Wat Sahakorn Khositaram

A Buddhist temple where an environmental project was initiated to address marine litter and debris. The tour is organized in cooperation with the Department of Marine and Coastal Resources (DMCR), the private sector, and the local community.

Bamboo Revetment Project and the Coastal Resources Restoration Project

12:00 Lunch Break

13:30 Mangrove Nature Trail

Byrde's Whale Skeleton Museum

Marine and Coastal Resource Research and Development Centre
Northern Gulf of Thailand

15:00 Return to Bangkok

16:30 Arrive at UNCC

2. Dress code

You may wear casual/outdoor attire with adequate sun protection, as we will be visiting coastal areas. We encourage you to bring your water bottles.

3. Weather

In November, Thailand transitions to the cool and dry season. The average temperature is around 31°C–33°C during the day and 23°C-25°C at night.
