**Sixth meeting of the Bureau of the
Global Framework on Chemicals –
For a Planet Free of Harm from Chemicals and Waste**
Thursday, 30 January 2025, 14:00 – 16:30 (CET)

Item 4 (c) of the provisional agenda
OEWG preparations: Proposed list of documents

Proposed list of documents for the GFC Open-ended Working Group

Note by the secretariat

1. In preparation for the first meeting of the Open-ended Working Group, the secretariat proposes the development of several documents to address the requests outlined in the resolutions agreed at the International Conference on Chemicals Management at its fifth session (ICCM5) as well as other issues related to implementation of the Global Framework on Chemicals.
2. Accordingly, please find in the attached Annex, the proposed list of working and information documents. This is a draft list that may be amended. In that event the Bureau will be informed accordingly.
3. Please note that the working documents will be finalized for submission to UNON Conference Services for editing by mid-March. Information documents that will not be edited may be submitted to the secretariat by the third week of April. All documents are expected to be uploaded on to the relevant website by 12 May 2025. Additional information on specific dates for submission of documents as well as suggested key points for inclusion and maximum number of pages will be provided in due course.

Next steps

The Bureau is invited to take note of the proposed list of documents and to agree to their preparation.
