

Global best practices on emerging chemical policy issues of concern under the Strategic Approach to International Chemicals Management (SAICM): Project Component 1: Promoting regulatory and voluntary action by governments to phase out lead in paint

Project Preparation Meeting
Tentative schedule for the Meeting

	Thursday 12th October	Friday 13th October
Morning session I 8:30 a.m.–10:30 a.m.	Welcome and opening of meeting - Presentation of participants - Meeting objectives and expected meeting outcomes, project overview and rationale Intro to lead paint and the problem - Global movement to eliminate lead paint (Global Alliance to Eliminate Lead Paint, SAICM) - Baseline for project, no. of countries with regulation, no. still using lead paint	Component Outcome of new laws in 40 countries - rationale behind activities proposed - baseline situation - Group discussion on effective strategies to achieve the intended Project Outcome
10:30 a.m. – 10:45 a.m.	Coffee/Tea Break	Coffee/Tea Break
Morning session II 10:45 a.m.–12:30 p.m.	Project Component overview - pilots; technical BAT/BEP guidance; and awareness activities to restrict lead and Expected Outputs - Overview of project design process: logframe; workplan, budget, execution modalities Introduction to component approach - background documents on BAT/BEP and technical guidelines - working with paint manufacturers to phase out lead	Previous experiences in relation to Output 1.3 - Overview of existing materials (toolkit and Model Law) and Experiences from earlier Regional Workshops - Government experiences in enacting lead paint laws - Brief overview of experiences working on the ground to support lead paint laws, including national stakeholder collaborations (National Working Groups) - Supporting the established Lead Poisoning Prevention Week
12:30 p.m. – 13:30 p.m.	Lunch	Lunch

Afternoon Session I 13:30 p.m. – 15:00 p.m.	Output 1.1. and 1.2 On-the-ground experiences to phase out lead in paint: - Overview of work by National Cleaner Production Centers and their earlier experiences in supporting manufacturers to eliminate lead paint - Paint manufacturers experience in eliminating lead from their paint production	Group discussion and finalization of key project document content
15:00 p.m. – 15:15 p.m.	Coffee/Tea Break	Coffee/Tea Break
Afternoon Session II 15:15 p.m. – 17:30 p.m.	Group discussion on pilot countries. - Role of NCPC, Manufactures, Government, Civil Society - Defining execution modalities	Group discussion and finalization of key project document content
	Group Dinner	End of Workshop
