Challenges, lessons learned, and actions taken

Insight

- The delivery of authoritative data and expert analysis, strengthening the Science-Policy interface for decision-making.

Modernization

- Enhancement of the digitization of knowledge platforms and supporting UN80.

Scaling

- Leverage better and scale up partnerships.

Next Steps

Continues to deliver authoritative data and expert analysis, strengthening SPI for decision-making

Aligned with the new MTS by digitizing and integrating knowledge platforms and supporting UN80.

Thank you
