UNEA-7 venue

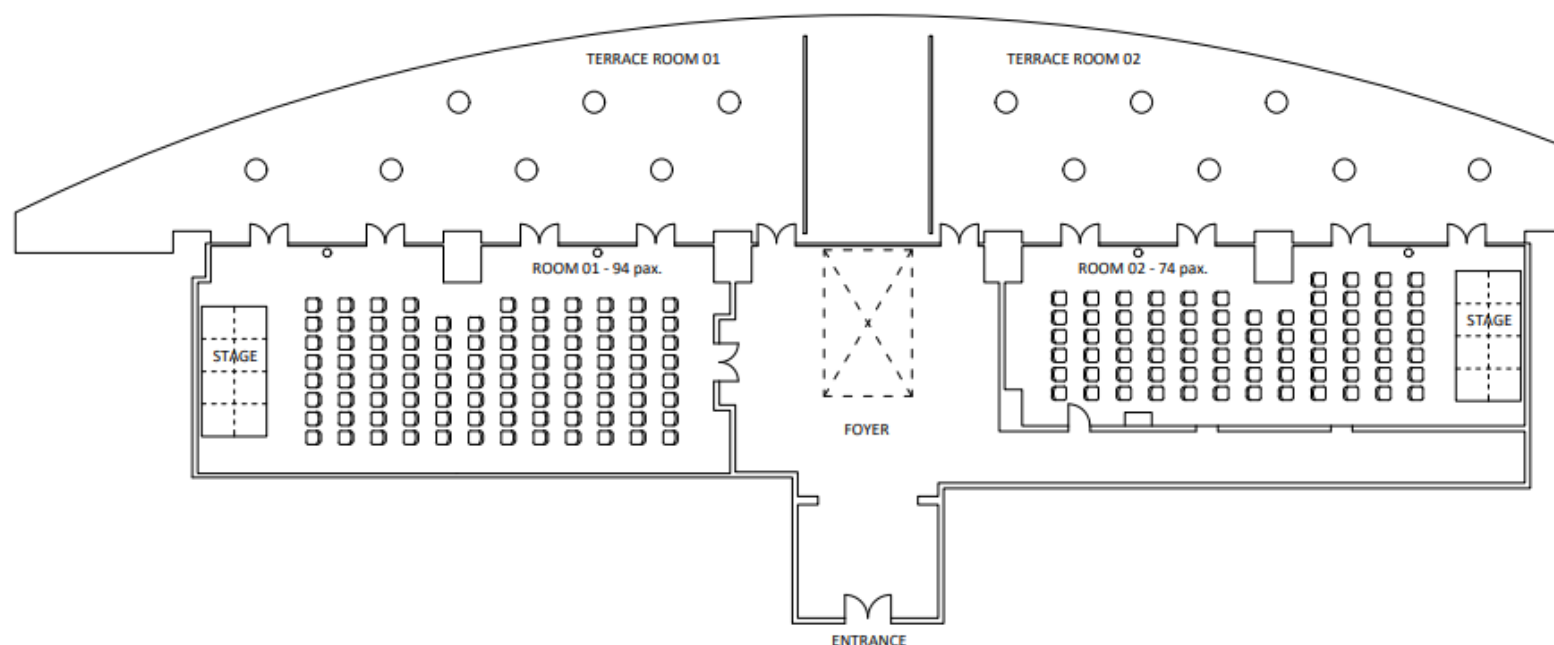

Unique campus

140 acres of landscaped gardens and woodland, bordered by the lively Gigiri district on one side and Karura Forest on the other.

A unique setting for a different conference experience, offering a wide range of facilities within the serenity of leafy landscapes, indigenous trees and tropical gardens and wetlands.

The Official Side Events venue

The **Events and Wellness Centre at UNON (UNEWWC)**, is a recently renovated facility designed to host a wide range of events.

Featuring a unique character, the center offers diverse indoor and outdoor spaces suitable for varied occasions. This catalogue showcases the spaces dedicated to the UNEA-7 Official Side Events, the available spaces, detailing their main features and setup.
