The Horizon Scan of Possible Linkages between the BBNJ Agreement and Biodiversity-related MEAs examines how the 2023 BBNJ Agreement can align with UNEP-administered biodiversity MEAs. Made possible by the Environment Fund, the report highlights opportunities for cooperation, institutional alignment, and stronger protection of marine biodiversity in areas beyond national jurisdiction.

* Amounts based on pledges, to be confirmed at the time of payment including possible effect of exchange rate fluctuation

** Based on percentage increase from previous year's contribution
