

Reference: Not-INC-2025-0034

16 July 2025

Dear Sir/Madam,

On behalf of the Chair of the INC, I am pleased to invite observer organizations to a webinar to be held online ahead of the second part of the fifth session of the intergovernmental negotiating committee to develop an international legally binding instrument on plastic pollution, including in the marine environment (INC-5.2).

The webinar will take place on **23 July 2025 from 15:00 - 17:00 East African Time (GMT+3)**. The purpose of this webinar is to share information on the organization of work for INC-5.2 and to provide a space for interested Observers to share reflections on the same. The session will be exclusively dedicated to interventions from Observers.

Interested observer organizations must fill [this form](#) indicating their interest to speak, as well as the name and affiliation of the proposed presenter. Presentations will be limited to **30 Observers**, and the duration of each intervention will be limited to **3 minutes**.

The selection of presenters will be done on a first come, first served basis, considering regional balance. **Selected presenters will be notified directly via email**. The list of presenting Observers will be published in advance on the website. No Power Point presentations will be allowed. The online form will close once the number of Observers that expressed interest in intervening has reached capacity.

If you wish to participate in the webinar as an attendee, not as a presenter, please register [here](#).

Please note that the webinar will be in English only, and no simultaneous interpretation will be provided.

The INC Secretariat remains at your disposal for any information as needed at unep-incplastic.secretariat@un.org.

Yours sincerely,

Signed

Jyoti Mathur-Filipp
Executive Secretary
INC on Plastic Pollution and Head of the Secretariat
