Plastic Pollution INC Secretariat

Reference: Not-INC-2026-0078 27 September 2026

Dear Delegate,

In line with the approach presented by the Chair and the Chair's Additional Note of 18 September 2026, and on behalf of the Co-facilitators of Cluster B, Ms. Dinara Azhigaliyeva and Mr. Marcelo Cousillas, kindly note that there will be additional questions to structure the discussions under the Cluster. The proposed sequencing of topics is also provided below.

Guiding questions
The additional questions are marked in **bold:**

1. What considerations should guide decisions on determining which plastic products will require possible global measures, actions or cooperation?
2. What type of enabling factors should be considered to address existing and legacy plastic pollution, including the process to identify and evaluate the locations or accumulation zones and subsequent remediation efforts?
3. How can Parties cooperate in the implementation of effective waste management policies, taking into account the different national circumstances and needs?
4. **Considering the progress achieved so far, do the current elements proposed on releases and leakages in the Aid to Negotiations reflect the level of detail required?**
5. **Considering the progress achieved so far, do the current elements proposed under plastic product design in the Aid to Negotiations reflect the level of detail required?**

Sequence (article numbers refer to the Aid to Negotiations)**:**

1. Guiding question 1: Plastic products (Article 4)
2. Guiding question 2: Existing and legacy plastic pollution (Article 8)
3. Guiding question 3: Plastic waste management (Article 7)
4. Guiding question 4 (additional): Releases and leakages (Article 6)
5. Guiding question 5 (additional): Plastic product design (Article 5)

The INC Secretariat remains at your disposal for any information as needed at unep-incplastic.secretariat@un.org.

Should additional questions be developed, these will be shared with delegations.

Yours sincerely,

Signed
