Challenges

- Limited capacity with partner countries/organizations.
- Limited engagement at regional and national levels.

Lessons learned

- Need for continued capacity building at regional and national levels.
- Important to increase outreach for Member States and Stakeholders including on resource mobilization.

Actions taken

- Advanced support to countries on MEA implementation.
- Enhanced tools like InforMEA, LEAP & DaRT.
- Scaled up advisory services to Intergovernmental Processes.

Next Steps

- Offer support to Member States on the implementation of relevant MEAs.
- Offer Member States support on legal responses to current and emerging issues of environmental law.
- Engage Member States, UN entities and other international and regional organizations, major groups and stakeholders and the civil society.
