Dear Sir/Madam,

We are pleased to share the following message from the Chair of the INC regarding the running of the final day of INC-5.2.

Dear colleagues,

Thank you for your engagement and candid exchange during yesterday's plenary. I appreciate the constructive participation of all delegations and have taken careful note of the views expressed.

As we are in the final day of our work during this second part of the fifth session of the INC, I would like to inform you of the arrangements for today.

I am continuing my consultations with delegations on the draft text proposal, on different formats, which started after the plenary last night.

Building on these consultations, I will revise my proposal, present a new iteration, and convene a plenary.

I trust that the revised proposal will bring us to the delivery of our collective mission.

I count on your resolute support and spirit of flexibility as we reach the summit together.

With my sincere appreciation,

*Ambassador Luis Vayas Valdivieso
Chair of the INC*
