Annual Report 2025

The Environment Fund is UNEP's financial backbone enabling the organization to fulfil its mandate. Take a look back at UNEP's results and impacts achieved in 2025, across climate action, nature and land action, pollution action and more. These results are shared with all countries that contribute their share to the Environment Fund.

** Amounts based on pledges, to be confirmed at the time of payment including possible effect of exchange rate fluctuation*
*** Based on percentage increase from previous year's contribution*
**** full share as per the Environment Fund Voluntary Indicative Scale of Contributions (VISC)*

USA does not participate in VISC and is not a member of any regional group.
