|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|-------------------------------------------------------|
| 1. Welcome and recap of earlier consultations                                                                                                                                                                                                                         | 5 mins                   | <b>Mahesh Pradhan</b><br>COBSEA<br>Coordinator        |
| 2. Updates on UNEP Activities on Marine and Coastal Ecosystems and Blue Economy                                                                                                                                                                                       | 15 mins                  | <b>Ole Vestergaard</b><br>Blue Economy<br>Coordinator |
| 3. Second Draft of the COBSEA Marine and Coastal Ecosystems Framework                                                                                                                                                                                                 | 10 mins                  | <b>Margarita Caballa</b><br>COBSEA UNV                |
| 4. Presentations by COBSEA Participating Countries<br>4.1. National priorities related to marine and coastal ecosystems<br>4.2. Recommendations at the National and Regional levels<br>4.3. Comments on 2 <sup>nd</sup> Draft Marine and Coastal Ecosystems Framework | 45 mins<br>(5 mins each) | <b>COBSEA<br/>Participating<br/>Countries</b>         |
| 5. Open Discussions and Way Forward, including Resource Mobilization                                                                                                                                                                                                  | 15 mins                  | <b>Mahesh Pradhan</b><br>COBSEA<br>Coordinator        |

### Guiding Questions for Country Presentations

- What are your national priorities and challenges on marine and coastal ecosystems?
- What are your national capacity needs on marine and coastal ecosystems?
- What are regional recommendations for marine and coastal ecosystems?
- Any general comments and what should be highlighted in the Marine and Coastal Ecosystem Framework? What is missing but should be included?
