Ministers responsible for the Environment

Members of the Committee of Permanent Representatives

After Greetings,

Subject/ Circulation of the final draft of Ministerial Declaration of UNEA-7

Excellencies,

I have the honor to refer to my [letter dated 29 August 2025](#), in which I circulated the revised first draft of the ministerial declaration of the seventh session of the United Nations Environment Assembly (UNEA-7).

I wish to express my sincere appreciation to Member States and observers, including the major groups and stakeholders, for their valuable contributions to the revised first draft ministerial declaration and for the written inputs and comments made during and after the third intergovernmental consultation held on 17 September 2025. These inputs and comments have guided my team and me in preparing the **final draft** of the ministerial declaration.

In this regard, I have the honor to circulate **the final draft of the ministerial declaration** of UNEA-7 and to invite all Member States and observers, including the major groups and stakeholders, to participate in the fourth intergovernmental consultations to be held on **Wednesday, 5 November 2025, from 14:00 to 17:00 (Nairobi time - GMT+3)** at the United Nations Office at Nairobi, in Conference Room 9 and online.

The fourth intergovernmental consultations will provide the Presidency an opportunity to hear comments and reflections on the final draft. I would like to emphasize the importance of the active engagement of UNEA focal points in the intergovernmental consultations, particularly from Member States not represented in Nairobi.

I also have the honor to refer to the revised roadmap agreed by UNEA-7 Bureau members and inform the delegations that there will be no **further calls for written comments on the final draft**. Delegations are therefore invited to provide their comments and reflections on the final draft during the fourth intergovernmental consultations.

Also the presidency will continue to have informal-informal consultations lead by the co facilitators.

I look forward to your engagement in this important process.

Please accept, Excellency, the assurances of my highest consideration.

Dr. Abdullah Bin Ali Al-Amri
President of the United Nations
Environment Assembly
