

INC-1 – Registration deadline – 31 October 2022

Excellency,

On behalf of Mrs. Jyoti Mathur-Filipp, Executive Secretary of the UNEP Secretariat of the Intergovernmental Negotiating Committee (INC), we have the honour to transmit herewith an invitation to attend the second session of the intergovernmental negotiating committee to develop an international legally binding instrument on plastic pollution, including in the marine environment (INC-2), scheduled to take place at the UNESCO Headquarters, in Paris, France, from 29 May to 2 June 2023. The session will be preceded by regional consultations on 28 May 2023, at the same venue.

Details on registration for Member States of the United Nations, members of United Nations specialized agencies and regional economic integration organizations, including information on funding support, are available in Annex A, attached. Additional guidance on the registration procedure can be found in Annex B.

We would like to bring to your attention that due to space limitations in the venue - a maximum of 1500 delegates at any one time within the precinct of the meeting -, there will be a need to issue a limited number of floating badges. More information on the same will be provided in the coming weeks.

Further information is available on the INC webpage: <https://www.unep.org/events/conference/second-session-intergovernmental-negotiating-committee-develop-international>

Please contact the Secretariat at unep-incplastic.secretariat@un.org for any further information that maybe required. The INC Secretariat remains at your disposal for any information as needed.

We are looking forward to hosting you at INC-2.

Kind regards,
The UNEP INC Secretariat
